V. TYPES OF FAMILY ENGAGEMENT

Garcia Middle School will provide opportunities for parent engagement to become involved in their children's education. Garcia Middle School values both the at-home contributions of parents and those that take place at the school or in the community. Reading to children at home and talking with them at family meals are as important as volunteering at school and serving on advisory committees. Many types of family engagement are needed in school-home-community partnership to help all children succeed. In alignment with BISD's philosophy and mission, each Campus Improvement Plan (CIP) must include a family engagement component. All parent and community volunteers must comply with the district policy regarding State of Texas background checks. Activities are dependent on the CDC and BISD guidelines regarding fact-to-face instruction and social distancing at the time of implementation during the 2021-2022 school year.
